After Action Report for Oñate Event 7/29/12

Event

We were contacted by Donna Hummel of the BLM who invited us to a photo shoot on the Camino Real Trail on July 29th, 2012. Unfortunately the organizers didn't give us much time. We were to meet at the McDonald's in Socorro at 5pm. Blaine stopped by Dave's house to pick up loaner gear and headed south.

Master

Mike Bilbo, Charles Mandeville, and Blaine Bachman joined with photographer Robert Wick to take some great photos.

Looking for Socorro, literally!

Had a good time doing the photos. On a scenic vista we inducted Mandeville into El Ordem de San Iago - I made the large sign of the Cross while the Swiss mercenary uttered the blessing: Domino, Domino, Pizza, Pizza... I sure was glad he could speak Latin...

“I think Santa Fe is that way...”
(Beautiful picture Robert!)

“Are you sure this is a trail? What are we going to name it?”

Conclusion

Mike, El Bilbolero

All photos by Robert Wick.
